

## **2009 - 2010 NVSC MANDATORY PARENT WORK ASSIGNMENT DESCRIPTIONS FOR J6 PARENTS/GUARDIANS (racers 8 years old and under)**

Except for the coaching, Nashoba Valley Ski Club is run entirely by parents/guardians and other family members. Without the help of the families of each racer, the club could not function and races cannot be run efficiently and safely. The following is a list of work assignment responsibilities for the upcoming race season for J6 racers. **No experience is necessary. WORK ASSIGNMENTS ARE MANDATORY.** After registration is complete, we will assign 8 & under work assignments according to interest (no promises you'll get what you want). You will be notified as to your assignment when the schedule is complete. Reminder: On-hill assignments require weather appropriate dress.

Please note that parents scheduled to work at a given home race will need to pick up their racer's bib at the designated work assignment table in the Race Shack during morning registration to ensure that work assignments are kept. The racer will not be able to pick up their own race bib if the parent/guardian is scheduled to work the race that day so please plan the race morning accordingly.
